

Easy-Click 60 Extraction Arms

The Weller Easy Click 60 system is a flexible, easy-to-install connector system for quickly and safely putting together surface extraction systems as you want—without any tools*.

The ESD-safe Easy Click 60 modules provide a variety of connection solutions and are suitable for every application at the workstation. The individual elements can be combined with each other or expanded for individual requirements based on the modular principle.

In addition, thanks to the logical design, the elements can be quickly and flexibly adapted to modified production conditions.

*Except in the case of air intake ports
