APEM ref. 2023010601

PRODUCT END OF LIFE - 1000 series

By this document, APEM announces the end of sales of the toggle switch 1000 series

The 600 and 5000M series are the ideal replacement products for 1000 series

APEM will consider a last time buy before July 2023 depending on the stock availability.

Part numbers and customers affected are detailed in the attached spreadsheet (part numbers ordered these last 5 years)

A cross reference sheet is also attached to help changing from 1000 series P/N to 600 series

Christophe Moreau – Product Marketing Manager
