

Dear Customer,

We are continuously enlarging and optimizing our product portfolio to guarantee customer satisfaction and offer technical advantage.

As a part of this process, it is also necessary to rework and improve running products, or product series.

For this reason, the product shown below will be changed to a re-worked version:

Article number old version	# 82-00090 Y-CONJACK-11 # 82-00201 Y-CONJACK-21 # 82-00116 Y-CONJACK-11-PP-T&R # 82-00452 Y-CONJACK-21-PP-T&R
Article number reworked version	No change
Influence on layout/design	Change of production location Same dimensions Same PCB layout
Technical changes / improvements	Adapted positioning pins w/o hooks Advantages: → Easy mounting with less force → Independency of PCB thickness → No change of PCB layout!
Influence on price	None
Date of changing	Running change starting January 2017
Drawing	Customer-P2380A22 REV. D

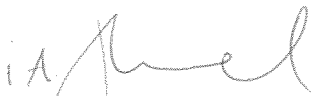

Thanks for your understanding.

If you have any further questions please do not hesitate to contact our sales team.
