

PCN - Product Change Notification

Product Group: MKS 2	PCN No.: PCN-MKS2-2018-0002	Date: 01.11.2018
-----------------------------	------------------------------------	-------------------------

Description of Change:	In addition to the existing red resin sealing, the type WIMA MKS 2 is now also manufactured with yellow resin sealing. The used raw material, electrical, mechanical or production specifications remain unchanged. Only the yellow pigmentation of the resin sealing is added, the difference is exclusively optical.	
Classification of Change:	Minor Change	
Reason for Change:	Process rationalisation	

Part No./Series/Product Group affected*:	All MKS 2 values identifiable by MKS2 on digit 1-4 of the part number
---	---

Example: MKS2_-----

* All above mentioned part numbers are only related to the WIMA main catalog (standard products).

Note:	No changes of the components electrical or mechanical parameters, quality, reliability, life-time expectation and process ability. No impact on test specification reference.
