Cooperation is important to us.

Since 1954, Bürklin Elektronik is a pan-European, family-owned, market leading distributor of high-quality electronic components and products. Of its entire product range, which contains more than 500,000 products from over 600 well-known manufacturers, Bürklin Elektronik stocks more than 75,000 of these products in its warehouse at the company headquarters in Oberhaching near Munich, Germany.

Bürklin Elektronik markets its products all over the world via its online shop, its large in-house sales team, its expanding field sales team and at its retail outlet in Oberhaching. Each working day, more than 1,500 shipments are dispatched from modern logistics center. These are supplied to industrial and professional users.

The Marquardt Group was established in 1925 and has remained an independent family enterprise, while developing into a global player. With its two business divisions – Automotive and Switches, Sensors & Controls – the Group is active world wide, in all the major markets. The Switches, Sensors & Controls division develops, produces and markets its products to a wide range of industries and applications.

The Marquardt products range from standard switches to complex customized systems. They are suitable for both small and large-scale productions. Thanks to its vertical integration, its global manufacturing capabilities, its high-quality standards and its product durability, Marquardt creates customer satisfaction and secures the company's competitive position. Marquardt views demanding customer requirements as a special challenge.

For more than 40 years now, the cooperation between Marquardt and Bürklin has guaranteed added value for the customers. The pooling of knowledge, services and logistics performance guarantees a customer-oriented approach to solutions.

The Bürklin logo features the company name in a bold, blue, sans-serif font. Above the 'i' in 'Bürklin', there are three slanted parallel lines, suggesting a signal or electronic connection.The Marquardt logo consists of a white lowercase 'm' inside a teal circle, positioned above the word 'MARQUARDT' in a white, uppercase, sans-serif font, all set against a teal rectangular background.
